

25 YEARS OF SILVER LININGS

Team Survivor Northwest Virtual Gala

- SPONSORSHIP OPPORTUNITIES -

TEAM SURVIVOR NORTHWEST

Team Survivor Northwest (TSNW) is a nonprofit organization that envisions a world in which every woman who has had a cancer diagnosis has the resources and support to return to her best physical and emotional well-being. We do this by providing free fitness programs to women cancer survivors in the greater Seattle region. The annual gala is TSNW's biggest event of the year, raising over half of the operating budget for the year.

WHY BE A SPONSOR IN 2020?

You will be recognized as a key supporter of cancer survivors in front of hundreds of guests from the cancer community, including survivors and prominent health care providers. Your tax-deductible donation will be highlighted in event promotions, publications and on our 25th anniversary plaque. Due to the COVID-19 pandemic, our gala will be a live virtual event, attended by hundreds more than could fit in a ballroom. This provides high visibility to our sponsors.

In a year when we need your help the most to keep our programs running through the pandemic, step up and join us as we celebrate 25 years of changing the lives of women cancer survivors!
